Interment between Oct 15 & May 15	\$200.00 + 30.00 to BAO* = \$230.00 [lawn maintenance]

BAO – Bereavement Authority of Ontario

CMF – Care & Maintenance Fund. It is a trust fund to ensure there is money available to maintain the cemetery for future generations. An active cemetery must deposit a percentage of the price paid by consumers for interment or scattering rights into the Care and Maintenance Fund or Account, for the upkeep of a cemetery in perpetuity. The money is available to municipalities after a cemetery becomes dormant and no longer has new burials nor the revenue that comes with them from the sale of interment rights. The CMF is sometimes called the CMA – the Care and Maintenance Account.
